Francisco-José Bastida-Albaladejo

Francisco Bastida is a full professor of Financial Economics and Accounting at the University of Murcia (Spain), visiting professor at the American University of Armenia and researcher in the Global SME Policy Network at Prince Sultan University (Saudi Arabia). His current research focuses on the impact of transparency in government financial reporting from an international perspective, and on public finances. He has published, among others, in the following journals: Applied Economics, Public Administration, Public Administration Review, International Public Management Journal, Kyklos, Public Choice, American Review of Public Administration, Fiscal Studies, and Journal of Urban Planning and Development-ASCE. He is the Editorial Board Member of the journal International Journal of Economics and Accounting. He also works on consulting projects about management accounting implementation.
